CAPTAINS PERFECT MERGER CAMPAIGN

System to Mark Method by Which Voters Will Be Asked to Go to Polls.

MEETING AT COMMERCIAL CLUB

A rousing consolidation meeting was held at the Commercial club last night when the ward captains of the city perfected their organization and arranged for a final meeting with their precinct lieutenants and the Greater Omaha campaign committee at the club next Friday night, Robert H. Manley, comissioner of the Commercial club presided last night.

Many of these ward captains have already completed their lists of lieutenants. J. W. Metcaife and F. D. Wead the Eleventh ward presented their list last night of eighty-four. Henry F. Meyers for the Twelfth had a list equally as long. Both these wards and others will supplement their personal solicitation with personal letters to each voter and the general campaign committee will also send out letters. Topping all this it was decided to have some twenty-five young women get busy on telephones the last two days and as a final effort to insure a full vote on Tuesday, June 1, remind each voter of his duty.

Look Out for Your Neighbor. "Tell them to vote for their next door neighbor," was the slogan of the campaign approved last night on suggestion of Captain Robert C. Druesedow of the Seventh ward. He and others emphasized the necessity of enlisting the co-operation of the women in this work.
